Enrolled Students

Enrolled students receive one lesson per week during their weekly, predetermined timeslot.

- ✦ **Payment:** Fee payers for enrolled students are billed at the end of the month in which the lessons take place.
- ✦ **Number of lessons:** Each calendar month will contain a minimum of four lessons. If a student's weekly timeslot occurs five times in a calendar month, a student will receive five lessons in that month.

Hours per week	Monthly cost (R)	
1	1 390	
2	2 675	Second hour discounted @ 7.5%
3	3 860	Third hour discounted @ 15%

Should more than three weekly hours be required, each additional weekly hour will incur a monthly cost of **R1 185** – a 15% discount on the cost for one hour per week.

- ✦ **Additional lessons “as required”:** Enrolled students may schedule lessons as needed in addition to their guaranteed weekly lessons. These will be charged at **R310** per lesson and is subject to availability.
- ✦ **Family discount:** Lessons taken by siblings are combined for billing purposes. Two siblings attending one hour per week each will be billed R2 675pm, three siblings attending one hour per week each will be billed R3 860pm, etc.

Non-Enrolled Students: Tuition “As Required”

Students who receive lessons “as required” do not commit to weekly lessons and thus do not have a guaranteed timeslot.

- ✦ **Payment:** Fee payers for tuition “as required” will be charged for lessons in advance.
